Follow up on DNR for Parks & Rec Plan: Sue reported that we have to have a public hearing for our Parks & Rec Plan. Then we will need to re-vote on it in order for us to get any DNR grants. We will hold a Public Hearing on May 27th at 6:30 pm. Sue will get with Fran to get everything published for the hearing.

Follow up/Correction on Appointment Terms: Last month we voted to keep Becky on for another 3 year term. However, her term does not expire until 2028. Phyllis & Rebecca are the only ones who will have terms expiring in March 2029. Sue was reappointed by the Weldon Township board for another 1 year term.

Follow up on Budget: Weldon Township removed the \$8,000 for the wood chips from our budget. They approved the remainder of the budget for a total of \$8,000. Scott Williams will continue to mow it and has requested no wood chips be placed down on pathway. We will try that for this year and revisit placement of wood chips next year. Jerry is still good to cultivate the garden area.
