Purpose of the meeting is to clarify details in the bid for the roof replacement.

Mr. Clifton is here to answer any questions we may have regarding the bid. He did state that he is not the contractor of record although he is insured and will be doing the work. Greg Skiver is the licensed builder and will be pulling the permits. He explained the shingles and ice shield, sheeting, and insulation. Five years guarantee. Price was also explained. Originally approved price was \$27,871. There is \$3200 added on if we want the insulation done at this time. Final price is \$31,071. \$15000 initial to start and \$6600 draw after first week and \$9471 at completion. Discussion. Materials could be delivered 8/19 with work starting at the end of this month. Clerk requested a W-9 from Skiver Construction.

C. Aldrich motioned to adjust the previous approve amount of \$27,871 to \$31071 Bill Clifton/Skiver Construction. S. Bobek seconded. All ayes.

Meeting adjourned at 2:10PM.

Respectfully submitted:
